Pursuant to Article 108(a) of the Articles of Association, at each of the annual general meeting, one third of the Directors for the time being, or, if their number is not 3 or a multiple of 3, then the number nearest to but not less than one-third, shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every 3 years. Accordingly, two of the existing Directors shall retire at the AGM and, being eligible, will offer themselves for re-election at the AGM.

The period for lodgment of the notices required will commence no earlier than the day after the despatch of the notice of the general meeting appointed for such election and end no later than 7 days prior to the date of such general meeting and the minimum length of the period during which such notices to the Company may be given will be at least 7 days.

Accordingly, if a Shareholder wishes to nominate a person to stand for election as a Director at the AGM, notice of his intention to propose such person for election as a Director and the notice executed by the nominee of his willingness to be elected must be validly served at our principal place of business in Hong Kong at Unit 01, 23A Floor, K. Biographical details of the retiring Directors proposed to be re-elected are set out in Appendix I to this circular. If a valid notice from a Shareholder to propose a person to stand for election as a Director at the AGM is received after the printing of this circular, the Company will issue a supplementary circular to inform Shareholders of the details of the additional candidate proposed.

### **GENERAL MANDATES TO ISSUE AND REPURCHASE SECURITIES**

At the annual general meeting held on 17 May 2010, ordinary resolutions were passed by the Shareholders to grant to the Directors a general mandate to exercise the powers of the Company to repurchase Shares and a further general mandate to allot, issue and deal with new Shares. Such general mandates, unless renewed, will lapse at the conclusion of the next AGM.

New general mandates to allot, issue and deal with Shares of up to a maximum of 20% (“Issue Mandate”) and to repurchase Shares of up to a maximum of 10% (“Repurchase Mandate”) respectively of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolutions as set out in Resolutions 6A and 6B respectively of the AGM Notice will be proposed at the AGM. Resolution authorising the extension of the general mandate to the Directors to issue Shares to include the aggregate nominal amount of such securities (if any) repurchased under the Repurchase Mandate as set out in Resolution 6C of the AGM Notice will also be proposed at the AGM.

## LETTER FROM THE BOARD

With reference to the proposed new general mandates, the Directors wish to state that they have no immediate plans to issue or repurchase any Shares pursuant to the relevant mandates as at the date of this circular.

As at the Latest Practicable Date, the Company has 559,992,000 Shares in issue. Subject to the passing of the ordinary resolution approving the Issue Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed to issue a maximum of 111,998,400 Shares, representing 20% of the issued share capital of the Company as at the date of the resolution approving the Issue Mandate.

Subject to the passing of the ordinary resolution approving the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed to repurchase a maximum of 55,999,200 Shares.

Subject to the passing of the relevant ordinary resolutions at the AGM, the Issue Mandate and the Repurchase Mandate will continue to be in force until whichever is the earliest of:

*This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the AGM in relation to the proposed Repurchase Mandate.*

**SHARE CAPITAL**

As at the Latest Practicable Date, the Company had an issued share capital of HK\$5,599,920 comprising 559,992,000 Shares of HK\$0.01 each. Subject to the passing of the resolution granting the proposed mandate to repurchase its own securities and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 55,999,200 Shares, representing 10% of the issued share capital of the Company as at the date of passing of the resolution, during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

**REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase its securities in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

**FUNDING OF REPURCHASES**

Any repurchase of securities of the Company made pursuant to the proposed Repurchase Mandate would be made out of funds which are legally available for the purpose in accordance with the memorandum and articles of association of the Company, the Listing Rules and the applicable Cayman Islands laws. Under the Cayman Islands law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose of the repurchase or, subject to the statutory test of solvency, out of capital. The premium, if any, payable on the repurchase, shall be provided for out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, subject to the statutory test of solvency, out of capital.

**FINANCIAL IMPACT**

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders and in circumstances where they consider that the Shares can be repurchased on terms favourable to the Company. The Directors anticipate that if the general mandate to repurchase securities were to be exercised in full at the currently prevailing market value, it may have a material adverse impact on the working capital and gearing level of the Company by referring to the audited financial statements of the Company as at 31 December 2010. The Directors do

not propose to exercise the mandate to repurchase securities to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the following Shareholders were interested in 5% or more of the issued Shares as recorded in the register of interests and short positions of the Company under section 366(1) of Part XV of the SFO:

In the event that the above Shareholders did not dispose of his/her/its Shares and if the Repurchase Mandate was exercised in full, the total interests of the above Shareholders would be increased to approximately the respective percentages shown in the last column above and the increase in the shareholding of above Shareholders will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to make share repurchase on the Stock Exchange to such extent as may result in the public shareholding of less than such prescribed minimum percentage under the Listing Rules.

**SHARE REPURCHASE MADE BY THE COMPANY**

No purchase of shares was made by the Company on the Stock Exchange during the six months preceding the Latest Practicable Date.

**GENERAL**

To the best of their knowledge and having made all reasonable enquiries of Directors, none of the Directors or any of their associates currently intends to sell Shares to the Company or its subsidiaries. The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the proposed Repurchase Mandate in accordance with the Listing Rules and applicable Cayman Islands laws.
